Graduation Out-Processing Briefings

Graduation out-processing briefings will be conducted on December 17th and 18th. The purpose is to provide you with post-residential reporting requirements for the next 12 months of Challenge. The Post-Residential phase is designed to monitor the cadets progress by the Academy's Case Managers for the next 12 months while they continue on the road to success.

Case managers are available to assist with providing advise on placement, communicating with mentors and to help keep Cadets focused on goals.

Topics include:

Out-processing briefing by Colonel Early.

Final Post-residential plans will be discussed and given to parents.

Barracks clearance, gear turn-in/clothing exchange for graduation day.
