To the members of the Youth Challenge Program:

Thank you so much for all of your hard work in our warehouse. There is no way to tell you how much it means to our staff and residents to have people like you provide labors of love and give us much needed support. I wish you could have seen the looks on the faces of our warehouse staff when they came in on Monday morning. Some thought they had entered the wrong building! What a difference your hard work made. On behalf of the residents and staff here at Hope House I extend our most sincere thanks.

With Sincerest thanks,

Deborah Wesse
