Dear General Veillon,

We would like to take this opportunity to thank you for helping to make the 2006 Alexandria Walk America a success.

Please extend a special thanks to the members of Youth Challenge, the staff and Amanda Atkinson who spent time in the rain helping us to get banners hung, tables and chairs set up, and balloons blown up. They also marched in the walk and stayed to help us take everything down. We sincerely appreciate your continued support of our mission to help the tiniest babies right here in our area.

Saving babies, together
