To whom it may concern:

I just wanted to take a moment to let you know that my son has very much taken the training he received at YCP to heart. He is currently enrolled in 12 semester hours of college work and is working an average of 6 hours a day to help pay for his college expenses. Without your help I feel sure he would have never gotten through high school. College was out of the question. He has matured so much, sometimes, I still have to look twice to be sure it's the same person.

James Michael Norquist and I, his legal parent, have changed our mailing address to : PO Box 231, Scott, MS 38772.

Thank you for giving me my son back.

Sincerely,

Deborah Giompoletti
